The Scots College

Prep Cricket Structure

Term One – 2011

During Term One 2011, there will be a few minor changes to the Prep Cricket Structure. These changes are being made to increase development opportunities for talented students whilst providing the same opportunities that currently exist for all prep cricketers at the College.

Additional Skills Sessions

- Monday - 7:15 to 8:15am – Yr 3 & Yr 4.
- Tuesday – 7:15 to 8:15am – Yr 5 & Yr 6.

- Open to all students playing Traditional or Super 8’s cricket. Each week will have a specific focus and involve a mixture of skill developing drills and modified games.

Prep Cricket Academy

- Thursday – 7:15 to 8:15am – Batting Session.
- Friday – 7:15 to 8:15am – Bowling Session.
- Tuesday – 3:15 to 5:00pm – Matches & Fielding Session.

- The Academy will be made up of approx. 36 students. It will include all members of the Traditional A side from Yr 4 - 6. These students will then be divided up into 3 squads, see below;
  - Academy Gold: 4 students from each year group = 12 students.
  - Academy Blue: 4 students from each year group = 12 students.
  - Academy Lions: 4 students from each year group = 12 students.

- These squads will rotate and play 15 overs a side matches against one another on Tue afternoons at Kirkland Oval. Each week the squad not involved in the match will be involved in a fielding session run by a specialist coach.

  *Example: Kirkland Oval – Gold vs. Blue (15 Over Match).*
  *Main Oval – Lions (Fielding Session).*
